Meducare Jana Seva Kendra!**

---

*At Meducare Jana Seva Kendra, we are committed to providing accessible, reliable, and comprehensive healthcare and educare services to communities. As part of our mission to expand quality healthcare and educare we are offering exciting franchise opportunities to passionate entrepreneurs and socio-welfare providers who share our vision.*

# Ideal Franchise Location Requirements:

## ➔ **Space & Office Accommodation:**

The franchise location should have sufficient space to comfortably accommodate a team of at least 30 staff members. This includes dedicated workstations, consultation rooms, administrative areas, and waiting zones to ensure smooth operations and efficient service delivery.

## ➔ **Area Specifications:**

The minimum available space should be 1000 square feet (approximate measurement), providing ample room for office setup, patient/client interaction areas, storage, and other necessary facilities. The space should be well-ventilated, accessible, and compliant with local health and safety regulations.

## ➔ **Additional Facilities:**

The premises should ideally have provisions for parking, easy access for patients and visitors, and basic amenities to support staff and clients.
